Director's Message

Sun Pathology Laboratory & Research Institute is a premier chain of Pathology Laboratories with 9 centers located in Ahmedabad. Our organization holds the distinction of being ISO certified and NABL Accredited, reinforcing the trust and reliability we bring to our customers.

As a nonprofit organization, we prioritize affordability and ethics, ensuring that our customers receive the best prices possible. Our dedication to providing top-notch pathology services is exemplified by our state-of-the-art, 10,000 square feet testing center located at Science City. Additionally, we offer the convenience of home visits through our dedicated and professional phlebotomy team.

With a legacy spanning more than 25 years, our mission is to contribute to healthier lives within our community through accurate Diagnoses and reports. We take immense pride in the fact that we serve an impressive number of patients each day, ranging from 700 to 900. None of this would be possible without the dedication of our 3 senior pathologists and over 150 qualified technologists.

At Sun Pathology Laboratory & Research Institute, we prioritize the use of advanced US FDA approved instruments and employ the gold standard technology to ensure accuracy and precision in our diagnoses. Furthermore, we have implemented the highest quality tool, six sigma, in our laboratory. Its presence guarantees the quality of our testing and processing.

Our commitment to delivering exceptional services has been recognized through various accolades, including being named the Best Pathology Lab in Ahmedabad, receiving the Legend of Gujarat recognition, and being honored with the prestigious Pride of Nation Award. Most recently, we were thrilled to receive the Emerging Gujarat award from our Honorable Chief Minister, Shri Bhupendrabhai Patel. These accolades inspire us to continue providing outstanding services to our patients.

We have also established strong relationships with corporate and pharmaceutical companies, collaborating on employee health check-up programs. This partnership emphasizes our commitment to the well-being of individuals and their families.

Earning the trust of over 3,50,000 families and more than 300 doctors in Ahmedabad is a testament to the quality and excellence we bring to our work. Through reliable and accurate reports delivered in a timely manner via various channels, including SMS, WhatsApp, Mail, online, and web applications, we ensure a seamless experience for our customers.

In conclusion, Sun Pathology Laboratory & Research Institute stands as a reputable and prestigious organization, dedicated to providing affordable and reliable pathology services. We take great pride in our achievements and remain committed to serving our community and contributing to healthier lives.
